THIS EASEMENT AGREEMENT (this "Agreement") is made and executed as of NOVEMBER 5, 2018 (the "Effective Date"), by and between HOMESTAKE MINING COMPANY OF CALIFORNIA, a California corporation ("Grantor"), and the COUNTY OF LAWRENCE acting by and through its County Commission, of 90 Sherman Street, Deadwood, South Dakota 57732 ("Grantee").

### RECITALS

A. Grantor owns certain real property ("Grantor's Property") located in the County of Lawrence, State of South Dakota.

B. Grantee desires to obtain a perpetual, non-exclusive easement on, over, and across a portion of Grantor's Property (the "Easement Area") for the purposes more particularly described herein. Grantor is willing to grant the easement to Grantee for such purposes subject to the terms and conditions set forth herein. The Easement Area is more particularly described as follows:

0.11 acres more or less in the NW1/4 NW1/4 of Sec. 22, T6N, R4E of the Black Hills Meridian, Lawrence County, SD (Sta 20+50 to 22+50 Rt)

As generally shown on "Exhibit A" attached.

### AGREEMENT

NOW, THEREFORE, for the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Easement. Grantor hereby conveys to Grantee a perpetual, non-exclusive easement on, over and across the Easement Area for the limited purpose of constructing, operating and maintaining a highway (collectively, the "Improvements"). Grantee agrees that

the cost of the Improvements will be borne solely by Grantee, with no contribution whatsoever from Grantor. The design, construction, preparation, and maintenance of the Improvements performed by Grantee shall comply with all governmental laws, ordinances, regulations, and permits governing such Improvements.

2. Reservation by Grantor. Grantor hereby reserves the right to use the Easement Area for any use not inconsistent with Grantee's permitted use of the Easement Area.

3. Access. Grantee and its employees, consultants and contractors (collectively, "Grantee's Contractor") shall have the right to enter upon the Easement Area for the purposes permitted by this Agreement. Grantee shall enter upon the Easement Area at its sole risk and hazard, and Grantee and its successors and assigns, hereby release Grantor from any claims relating to the condition of the Easement Area and the entry upon the Easement Area by Grantee, its agents, employees, servants, contractors and other such parties.

4. Temporary Construction Easement. During construction, Grantee shall have a temporary easement over and across the following property:

0.54 acres more or less in the NW1/4 NW 1/4 of Sec. 22, T6N, R4E of the Black Hills Meridian, Lawrence County, SD (Sta 19+07.65 to 22+50 Rt) and 1.16 acres more or less in the NW1/4 NW 1/4 of Sec. 22, T6N, R4E of the Black Hills Meridian, Lawrence County SD (Sta 16+00 to 23+35.67 Lt)

As generally shown on "Exhibit A" attached.

This temporary construction easement shall terminate within one year after of completion of the Improvements and no later than two years from the date of this Agreement.

5. Condition of the Easement Area. Grantee accepts the Easement Area and all aspects thereof in "AS IS," "WHERE IS" condition, without warranties, either express or implied, "WITH ALL FAULTS," including but not limited to both latent and patent defects, and the existence of hazardous materials, if any. Grantee hereby waives all warranties, express or implied, regarding the title, condition and use of the Easement Area, including, but not limited to any warranty of merchantability or fitness for a particular purpose. Without limiting the generality of the foregoing, the Easement Area is granted to Grantee subject to: (a) any state of facts which an accurate ALTA/ASCM survey (with Table A items) or physical inspection of the Easement Area might show, (b) all zoning regulations, restrictions, rules and ordinances, building restrictions and other laws and regulations now in effect or hereafter adopted by any governmental authority having jurisdiction; and (c) reservations, easements, right-of-way, covenants, conditions, restrictions, encroachments, liens, and encumbrances and all other matters of record or enforceable at law or in equity. Grantee must obtain any and all consents, approvals, permissions, and agreements to cross, encumber or encroach upon any other easements or rights of others related to its use and improvement of the Easement Area.

6. Maintenance, Restoration, Soils.

(a) Grantee, at its sole cost and expense, will maintain and repair the Improvements and any and all related improvements installed by Grantee, in good order and condition.

(b) Grantee will promptly repair any damage to Grantor's Property and Grantor's improvements located thereon (including, without limitation, any and all landscaping, trees, fences, water and/or irrigation pipes, lines and ditches, curbs, gutters, asphalt surfaces, fences, signs, lighting, etc.) caused by Grantee and/or Grantee's Contractor, and will restore Grantor's Property and the improvements thereon to a substantially similar condition as they existed prior to any entry onto or work performed on Grantor's Property by Grantee and Grantee's Contractor.

(c) Grantee understands that mining and mineral processing operations have been historically conducted on the Grantor's Property. Grantee shall not remove any earth or soil from Grantor's Property nor permit others to remove earth or soil without Grantor's prior written consent in each instance. Grantee shall cover (and keep covered) any exposed tailings on the Easement Area and any other areas utilized by Grantee hereunder.

7. Compliance with Laws. Grantee will comply with all present or future laws, statutes, codes, acts, ordinances, rules, regulations, orders, judgments, decrees, injunctions, permits, licenses, authorizations, directions and requirements of and agreements with all governments, departments, commissions, boards, courts, authorities, agencies, officials and officers, foreseen or unforeseen, ordinary or extraordinary, including, without limitation, any building, zoning and land use laws.

8. Liens. Grantee will keep the Easement Area free from any liens arising out of any work performed, materials furnished, or obligations incurred by, through, for or under Grantee, and Grantee will indemnify, hold harmless and agree to defend Grantor from any liens that may be placed on the Easement Area and/or the property pertaining to any work performed, materials furnished or obligations incurred by, through, for, or under Grantee or any of Grantee's Contractor. Any such liens must be released of record within 30 days.

9. Indemnification. Grantee and its successors and assigns hereby agree to indemnify, defend and hold harmless Grantor, and any entity controlling, controlled by or under common control with Grantor ("Affiliates") and its, their and their Affiliates' officers, directors, employees, managers, members, agents, servants, successors, and assigns from and against any and all third party liens, encumbrances, costs, demands, claims, judgments, and/or damage caused by or arising out of (i) the acts and omissions of Grantee and its agents, servants, employees and contractors; (ii) the use of Grantor's Property and/or the Improvements by Grantee, its agents, servants, employees and contractors; and (iii) any work performed in on Grantor's Property by Grantee or its successors or assigns, and their agents, servants, employees, consultants and/or contractors. The terms and conditions of this provision shall remain effective after the expiration or termination of this Agreement, so long as the event for which the indemnification is needed occurred prior to such expiration or termination. Grantee shall have no obligation to indemnify Grantor or Affiliates pursuant to this Section for claims or liabilities to

the extent the same are caused by Grantor. Except as limited by this Agreement, Grantee does not waive any sovereign immunity granted to it under the Governmental Immunity Act, such immunity being specifically retained herein.

10. Notices. Any notice required or desired to be given under this Agreement will be considered given: (a) when delivered in person to the recipient named below, (b) when delivered by a reputable overnight delivery service, or (c) three days after deposit in the United States mail in a sealed envelope or container, either registered or certified mail, return receipt requested, postage prepaid, addressed by name to the person and party intended.
